

United States Department of State

Washington, D.C. 20520

AUG - 9 2011

Dear Mr. Speaker:

Pursuant to Section 36(c) of the Arms Export Control Act, I am transmitting, herewith, certification of a proposed amendment to a technical assistance agreement to include the export of defense articles, including technical data, and defense services in the amount of \$50,000,000 or more.

The transaction contained in the attached certification involves the export of defense articles, including technical data, and defense services to Italy, Switzerland, and the United Kingdom for the support of mechanical, avionics, environmental and lighting systems for the Joint Cargo Aircraft C-27J and industrial baseline variants for end use by the Governments of Bulgaria, Greece, Italy, Lithuania, Morocco, Romania, and the United States.

The United States government is prepared to license the export of these items having taken into account political, military, economic, human rights, and arms control considerations.

More detailed information is contained in the formal certification which, though unclassified, contains business information submitted to the Department of State by the applicant, publication of which could cause competitive harm to the United States firm concerned.

Sincerely,

A handwritten signature in black ink, appearing to read "D. S. Adams", written over a horizontal line.
